JOB DESCRIPTION

JOB TITLE: Specialist Occupational Therapist

JOB DETAILS
1. PURPOSE AND DIMENSIONS:

To be an independent expert practitioner managing a variety of conditions which are often complex and challenging and provide a specialist occupational therapy clinical lead within a designated area. This will involve specialist assessment, treatment and evaluation on the efficacy of service user care, both individually and in groups. Standardised clinical tools will be utilised where the postholder has identified their appropriateness using specialist knowledge. The postholder will provide specialist professional advice to other disciplines, carers and agencies. The postholder will be required to engage with the wider multi-disciplinary team and to work across agencies to deliver packages of care in the role of occupational therapist and/or keyworker and/or care manager including mental health assessments. The postholder will contribute to the evaluation and development of the occupational therapy service within their designated area with reference to clinical governance, clinical effectiveness and national policies and drivers. This will require the postholder to lead on departmental and team projects.

The postholder will be responsible for the day to day management of junior staff as part of supervision systems, including clinical workload and supervision of under and post graduate pre registration students as required. The postholder will also be involved in the education of other staff and agencies.

The postholder is responsible for further development of skills and knowledge through participation in grade specific training and their own CPD.

The postholder is responsible to the Occupational Therapy Team Leader and Operational Manager. Under the direction of the Occupational Therapy Team Leader and in partnership with the Operational Manager, the postholder will operationally lead a small team of staff.

2. ROLE OF DEPARTMENT

Occupational Therapy staff in mental health services work in multi-disciplinary teams to provide specialist and generic services which enables service users to achieve health, well-being and optimum function. Service users participate in graded treatment, thus limiting the impact of physical health and mental health problems on ability to function independently.

Occupational therapy assessments are utilised within the team and by external agencies to identify the person’s functional ability and provide a baseline on which levels of support may be required/identified to maintain a level of independence in a variety of living environments.

The Application Process

Please ensure you read the Job Description and Person Specification along with the guidance notes on completing your application form. The hiring manager will shortlist an application for interview based on its content, therefore it is in your best interests to ensure you submit a fully and appropriately completed application.

You will receive confirmation that your application submission has been received when you submit your online application form. When we begin to process your application, you will receive an email from NHS Greater Glasgow and Clyde confirming receipt. If you have not received a confirmation email within 3 days working days from the closing date, please email nhsggcrecruitment@nhs.net.

Unfortunately, due to the volume of applications NHS Greater Glasgow and Clyde receive, we are unable to write to applicants who are not successfully shortlisted for interview. Accordingly, if you have not received an invitation for interview within six weeks of the closing date please assume on this occasion you have been unsuccessful. We hope this will not deter you from applying again.

We will use several methods of communication to advise you of each stage of the recruitment process this includes: email, letter, SMS text, or telephone. It is essential that you regularly check your email and your phone to see if we have been in contact with you to update you on the progress of your application. Please ensure your email account does not treat NHS Greater Glasgow and Clyde email as spam or junk by adjusting the necessary settings.

Please ensure you retain a copy of the job description and person specification for the post you are applying for – you will need this to help you prepare if you are selected for interview.

Please retain details of the job reference number – you will need this if contacting NHS Greater Glasgow and Clyde Recruitment Services.

Should you require further information or assistance in relation to your application please visit www.nhsggc.org.uk/recruitment or email your enquiry to nhsggcrecruitment@nhs.net. Please ensure you have the job reference number to hand.

For details on what happens once you have submitted your application, please visit the NHS Greater Glasgow and Clyde – recruitment guidance for applicants.
Guidance for completing your application form

Completion of the application form is the first stage in the recruitment process, and if you are successful, will form the basis of your employment record. Complete and accurate information is essential. Please note: If you knowingly withhold or provide false or misleading information, this may result in your application being rejected, or if appointed, may result in dismissal from your post.

Your application form plays a vital role in the recruitment and selection process. The information you provide us with in your application form will be used to decide whether you are shortlisted to attend an interview. Only those applicants who can clearly demonstrate in their application form how they meet the minimum essential requirements for the post as specified in the job description and person specification will be considered for interview selection.

Applicants should read the candidate information pack and job description for the post prior to completing the online application form.

When completing the online application form applicants should read the instructions in each section and note the following:

- the application form has an automatic time out mechanisms, therefore you should click on the "save" button as you go through the application form or copy and paste from another document, to avoid losing content.
- please do not use any special characters (i.e. £, #, &, %) when completing your application. You are permitted to use the '@' symbol.

It is recommended that you complete all relevant sections of the application form. It does not matter how long ago your last employment was, if you have an employment history please list it.

If you have not previously been employed, please use the “Present or Most Recent Post” section to detail what you have been doing (i.e. full time student / parent / carer).
Please note that you can list unpaid work including work placements and volunteer work in your employment history.

NHS Greater Glasgow and Clyde do not accept Curriculum Vitaes (CV), unless a CV has been specifically requested as part of the recruitment process.

By completing and submitting an application for this post you give your consent for NHS Greater Glasgow and Clyde to commence pre-employment checks, including reference checks, once your formal conditional offer of employment is made to you. Click Here for more information. For details on NHS Greater Glasgow and Clyde’s pre-employment check procedures, please visit the NHS Greater Glasgow and Clyde – recruitment guidance for applicants.
Part A (Personal information), Part B (Declarations), Part C (Application Details)

The job description provides information about the main duties and responsibilities of the post being advertised. It also describes the purpose of the post. Please ensure that your application form clearly demonstrates how your skills / knowledge / experience can be utilised in the role.

The job description and person specification also specify the requirements or criteria (knowledge, skills, experience, abilities and qualifications) that are essential or desirable to perform the duties outlined. Please ensure in your application that you demonstrate how you meet the minimum essential criteria and where applicable, the desirable criteria for the role.

Certain posts in NHS Scotland are exempt from the 1974 Rehabilitation of Offenders Act (Exclusions & Exceptions) (Scotland) Order 2003. Click Here for more information. If the advertisement for this position has declared that we require a Disclosure Scotland PVG Scheme Membership / Disclosure Scotland Check, you must declare any previous convictions, classed as either “spent” or “unspent”, including criminal convictions received outside the United Kingdom.

The Asylum and Immigration Act 1996 states that it is a criminal offence to employ a person who is not entitled to work in the United Kingdom (UK). Consequently, before NHS Greater Glasgow and Clyde offers employment, the prospective employee must provide evidence, that he/she is entitled to work in the UK. All applicants regardless of nationality will be asked to provide evidence of eligibility to live and work in the UK.

As a Disability Confident Employer, NHS Greater Glasgow and Clyde operates a Guarantee Interview Scheme for disabled applicants. Candidates who have declared a disability and who meet the minimum essential criteria outlined within the job description / person specification will be guaranteed an interview.

You must provide full and complete employment references including a work email address (personal email address for employment references may not be acceptable) covering a minimum period of the last three years. Employment referees should be listed in chronological order – that is the most recent first. If you have had more than two employers in the last three years we will require additional references. Character referees should only be used in the event that you cannot provide two employer references covering the last three years.

Any gaps in employment history must be detailed within your supporting statement and will be explored carefully with you at the interview stage.

If you have an employment history of less than three years, you should provide full details of an academic referee or other person who is not a friend, is not related to you or involved in any financial arrangement with you to provide a personal reference.
If you have had no previous employment or have been self-employed you should provide details of two personal referees as outlined above and where applicable evidence to confirm your status (i.e. letter from Jobcentre Plus, academic record or evidence from HM Revenue & Customs) if you are shortlisted for interview.

Your application form provides you with an opportunity to provide a supporting statement. This section is one of the most important in the application form as the information that is provided here will be evaluated and used to decide if you are invited to attend interview. This section gives you the opportunity to describe and demonstrate the particular qualifications, skills, abilities, knowledge, relevant experience and other qualities that make you a good candidate for the post.

Part D (Equal Opportunities)
This part of the form is optional and the information you provide in this section exercises no part of the selection process. It is treated in confidence and only the Recruitment Service or Human Resources staff can access this information for the purpose of recording and compliance monitoring, to ensure our workforce is balanced and represents the best candidates from all parts of society regardless of age, disability, gender reassignment, marriage or civil partnership, pregnancy or maternity status, race, religion or belief, sex, sexual orientation and/or socio-economic status.

Data Protection Act 1998
The information you provide on your application will be treated in confidence. Only those NHS Greater Glasgow and Clyde staff involved in the selection process and processing your application will see your application form. If you are the successful applicant your application form will be retained and used to create your employee record file. Your application form will be held for 12 months, from the date of your application, within the NHS Greater Glasgow and Clyde recruitment system, after which period it will be deleted from the system.
Working for NHS Greater Glasgow and Clyde

About us
NHS Greater Glasgow and Clyde is the largest health board and provider of healthcare in Scotland and one of the largest health care providers in the UK.

NHS Greater Glasgow and Clyde’s purpose is to:

“Deliver effective and high quality health services, to act to improve the health of our population and to do everything we can to address the wider social determinants of health which cause health inequalities.”

The Board works in close partnership with other NHS organisations, local authorities and other agencies including the third sector to ensure that social work, education, housing, employment and environmental services unite effectively and efficiently with the NHS in tackling inequalities and underlying health problems in local communities.

The future shape of health and social care provision is changing following the move to establish new statutory Partnerships between NHS and Local Authorities, responsible for the planning and delivery of Health and Social care for local populations. This requires the development of very different relationships between primary care, mental health services, community and acute services.

NHS GGC serves a population of 1.2 million (over 1/5 of the population of Scotland) with services provided by 39,000 staff.

The geographical area covered includes: Glasgow City, West Dunbartonshire, Inverclyde, Renfrewshire, East Renfrewshire, East Dunbartonshire and North Glasgow (Stepps-Moodiesburn corridor).

Our services
NHS Greater Glasgow and Clyde provides a full range of Secondary and Tertiary Clinical services, Primary Care, Mental Health and Community services included in which are a number of world-class specialist services.
