1. JOB IDENTIFICATION

Job Title: District Nurse Sister/Charge Nurse

Responsible to: Senior Nurse – Adult Services

Department: Community Nursing

Directorate: Primary Care Services

Operating Division of NHS GG: Primary Care

2. JOB PURPOSE

The post holder will provide an accessible, appropriate, high quality, culturally sensitive and effective nursing service to all age groups in the community, by working in partnership with service users, care providers and other agencies.

The post holder will function as an independent autonomous practitioner by virtue of in-depth knowledge, expertise, proficiency and experience to lead and enable the district nursing team to provide a quality nursing service.

The post holder will be the clinical expert who will be accountable for case management and nursing activity within the caseload, and/or lead, manage and support the district nursing team.

3. ROLE OF DEPARTMENT

The District Nursing Service operates an open access policy delivering care to patients within either a community or primary care setting, or who have a nursing need which makes a home visit more appropriate.

The District Nursing Service will undertake case management, skilled clinical interventions which encompass a broad spectrum of technical expertise, health education and health promotion in order to rehabilitate or promote and maintain independent living for patients and support carers.
4. ORGANISATIONAL POSITION

Senior Nurse

Team Leader

District Nursing Sister / Charge Nurse

Community Nurse

Community Nurse

Management
Professional Support

District Nursing Team
Could consist of one or more of the following staff
- Staff Nurse/ Support Nurse
- Healthcare Assistant

5. SCOPE AND RANGE

The district nursing service operates an open access policy that is available 365-days a year. The service does not operate a waiting list, however, care needs are prioritised to be able to respond to both planned and unplanned care. This includes the ability to respond timeously to unscheduled care requests for those patients who require urgent district nursing intervention.

The District Nurse Sister/Charge Nurse will be responsible for the management of a caseload of community patients and/or leading and managing a team of qualified nursing staff and health support workers. The caseload population is derived from either the GP practice to which the team are aligned, or within a defined geographical population and/or a defined client group.

The caseload comprises approx. 30-60 patients with a range of complex needs, requiring high-level nursing interventions, such as cancer and non-cancer palliative care patients, those requiring nursing care in relation to chronic disease management and the provision of skilled technical interventions, e.g. subcutaneous infusions, central venous lines and tracheostomy management.

The District Nurse Sister/Charge Nurse will provide reciprocal cover and support for the wider district nursing teams in the absence of the designated team leader in order to provide clinical leadership and ensure the continuation of service delivery.

 Whilst there is no direct financial responsibility with this post, the post holder has responsibility for the ordering of nursing equipment within a defined budget (up to £750 per order). The post holder will be expected to work collaboratively with the Senior Nurse
and the Head of Health and Community Care to ensure effective utilisation of resources - this will include the nursing workforce resource, as well as the effective management of specialist nursing equipment and supplies. The post holder will be responsible for appropriate and cost-effective nurse prescribing including dressings, devices and medication.

The post holder will work independently and autonomously without supervision and be responsible for delegating and reviewing the work of his/her team.

6. MAIN DUTIES/RESPONSIBILITIES

The post holder is responsible and accountable for the ongoing management of the caseload to ensure the assessment, planning, implementation and evaluation of programmes of care. These will be developed in partnership with Patients, Family, Carers and Significant others, and will be evidence based taking into consideration the lifestyle, race, gender and cultural background, and factors which impact on physical, mental or emotional health.

- As part of the managerial responsibility the post holder will be familiar with and ensure implementation of local, regional and national policies, procedures and guidelines pertinent to all staff within their area of responsibility in the pursuit of the highest standard of patient care.

- The post holder will have an understanding of the clinical budget and its application in the planning and implementation of care in the area, in order to meet service aims and objectives.
  - Although the post holder does not have the budgetary responsibility for the district nursing service – it is his/her responsibility to maintain the ‘notional allocated workforce resource’ or highlight any problems within the team and the wider clinical area.

- The post holder will understand and work within the organisational recruitment policies which include equal opportunity policies, confidentiality and data protection policies, when identifying and recruiting to vacancies within the team.
  - The postholder will be responsible for the recruitment and selection process, taking cognisance of the needs and dynamics of the wider nursing teams when making decisions.

- Manage and provide clinical leadership and be a role model for the nursing team by representing the values and beliefs of the nursing profession as well as that of the organisation.

- The post holder will be responsible for the day-to-day management of the district nursing team and will ensure that the delegation of work to the team takes account of the role, skills and competence of staff and is appropriate to their scope of practice.
o To establish and participate in systems of practice support, caseload supervision and personal development plans for the nursing team.

o The post holder will be responsible for the operational management of his/her team. Prepare and/or validate the duty rotas, manage the annual leave, sickness/absence and study-leave for team members, organise and support the team to attend staff meetings and clinical and mandatory training. This should be done in collaboration with other relevant colleagues.

* The post holder is responsible for ensuring that they and their team practice within the Legal & Ethical framework as established by Nursing & Midwifery Council (NMC) and National Legislation to ensure the patients’ interests and wellbeing are met.

* Maintain accurate up-to-date clinical records and care plans in accordance with NMC standards for records and record keeping, ensuring compliance with the Data Protection Act and the Freedom of Information Act.

* As a mentor (underpinned by theoretical and experiential knowledge) the post holder will ensure that systems are in place to supervise and support both pre- and post-registration nursing students. Accommodate other multi-disciplinary and multi-agency personnel who require to gain an overview of the district nursing service.

  o Audit the quality of the clinical placement in partnership with Higher Education Institutions and implement any changes as required, working in collaboration with the Division’s Practice Education Facilitators.

  o Implement and evaluate a preceptorship programme for newly qualified nursing staff within the clinical area.

* The post holder will be responsible for the utilisation of various clinical and environmental risk assessment tools in order to identify actual and potential risks and ensure implementation of appropriate interventions. The post holder will also be responsible for reporting incidents and critically appraising them in order to reduce any recurrences and participate in further investigation as required.

  o He/she will identify and support the nursing team to access mandatory training as required.

  o The post holder will have the skills to respond to emergency situations e.g. anaphylaxis and cardiac arrest, by providing basic life support.

* As a clinical expert the post holder will be able to support patients, relatives and carers in order to achieve optimum health and independence.

* Plan and prioritise workload on a daily basis, delegate work using available resources and make decisions to ensure that patients’ needs are being met.

* Establish and maintain systems to ensure continuation of a quality 24-hour nursing service.
- The post holder will use a systematic, flexible and innovative approach to problem-solving where there are either barriers to understanding or financial constraints within the patient's home, in order to provide a safe and effective care package.

- Initiate and lead in the development and implementation of clinical audits and instigate and/or participate in research that will ensure continuing improvements in practice and enhance individual and team performance for the improvement of patient care.

- Select and implement evidence based nursing interventions to meet the individual needs of patients using national guidance and standards developed by NHS Quality Improvement Scotland, Scottish Intercollegiate Guidelines Network and Best Practice Statements.

- Induct all new nursing staff into the team. Supervise junior staff in all areas of nursing practise and complete their personal development plans as appropriate.

- Be responsible for own professional development and encourage and support the continuing professional development of the nursing team.

- Identify capability and performance issues of team members and utilise a framework to support clinical and professional practice as required.

- Be responsible for establishing and maintaining effective communications and working relationships with primary, secondary and tertiary care colleagues, and collaborate with statutory and voluntary agencies to ensure effective co-ordination of services for individuals and groups. This will include effective discharge planning procedure and development of care packages.

- To understand the determinants of ill health in order to promote the public health role of district nurses in primary care. Lead and participate in health needs assessment to support health improvement activity, thus enabling the patient and their family to improve/maintain their health and wellbeing.

7a. EQUIPMENT & MACHINERY

- The post holder will be competent in the use of and have responsibility for ensuring that his/her team are able to use the following:
  - Mechanical / Electric / Tracking Hoists
  - Wheelchairs / Shower Chairs
  - Moving and Handling equipment
  - Bathing equipment
  - Ear syringing equipment
  - Phlebotomy apparatus
  - Injection apparatus
  - Syringe driver equipment
  - Electric/manual pressure relieving equipment
  - Clinical observation equipment
The above equipment and machinery requires a high degree of knowledge and expertise to operate and much of it requires manual dexterity skills, and adequate hearing and eyesight. The post holder is also responsible for demonstrating the safe use of district nursing/moving and handling equipment in the home.

7b. SYSTEMS

- The post holder will be competent in the use of and have responsibility for ensuring that his/her team are competent to use the following:
  - Divisional Health & Safety Guidelines, Risk Assessment and Incident Reporting mechanisms
  - IT system used by all nurses within the Primary Care Division (i.e. Internet, Intranet, E mail, GGILES)
  - IT System which may be in place within particular CHCP e.g. GPASS
  - Documentation of patient related information in Patient Held Records / Care Plans/Single Shared Assessment.
  - Documentation of patient related information with the D.N. base / GP records
  - Wound Care Guidelines
  - Lone Worker – Mobile telephone Health and Safety System.

8. DECISIONS AND JUDGEMENTS

The post holder is accountable for his/her own professional actions and must be able to justify decisions based on the nursing assessment of the patient, family/carer and environment. The range of resulting interventions may be complex and require a higher level of ongoing decision-making to ensure the effective management of the care package.

The post holder must be aware of his/her own scope of practice and that of the nursing team members. In addition he/she is accountable for the appropriate delegation of work to others providing care to clients/families within the caseload.

The post holder will work as an autonomous practitioner – will have the ability to identify their own training needs and recognise who or where to contact for support.
9. COMMUNICATIONS AND RELATIONSHIPS

The post holder will regularly be involved in communicating internally and externally with health and social care professionals as well as users and carers. The role will involve an educational dimension with users, carers and colleagues. The post holder will be required to receive and communicate highly complex and sensitive information on a daily basis. The post holder will be required to identify potential interpersonal conflict and manage this using motivational, persuasive and negotiating skills. This is a feature of the clinical or managerial/leadership dimension of their role. They will actively participate in a range of meetings that support effective communications.

The Application Process

Please ensure you read the Job Description and Person Specification along with the guidance notes on completing your application form. The hiring manager will shortlist an application for interview based on its content, therefore it is in your best interests to ensure you submit a fully and appropriately completed application.

You will receive confirmation that your application submission has been received when you submit your online application form. When we begin to process your application, you will receive an email from NHS Greater Glasgow and Clyde confirming receipt. If you have not received a confirmation email within 3 days working days from the closing date, please email nhsggcrecruitment@nhs.net.

Unfortunately, due to the volume of applications NHS Greater Glasgow and Clyde receive, we are unable to write to applicants who are not successfully shortlisted for interview. Accordingly, if you have not received an invitation for interview within six weeks of the closing date please assume on this occasion you have been unsuccessful. We hope this will not deter you from applying again.

We will use several methods of communication to advise you of each stage of the recruitment process this includes: email, letter, SMS text, or telephone. It is essential that you regularly check your email and your phone to see if we have been in contact with you to update you on the progress of your application. Please ensure your email account does not treat NHS Greater Glasgow and Clyde email as spam or junk by adjusting the necessary settings.

Please ensure you retain a copy of the job description and person specification for the post you are applying for – you will need this to help you prepare if you are selected for interview.

Please retain details of the job reference number – you will need this if contacting NHS Greater Glasgow and Clyde Recruitment Services.

Should you require further information or assistance in relation to your application please visit www.nhsggc.org.uk/recruitment or email your enquiry to nhsggcrecruitment@nhs.net. Please ensure you have the job reference number to hand.

For details on what happens once you have submitted your application, please visit the NHS Greater Glasgow and Clyde – recruitment guidance for applicants.
Guidance for completing your application form

Completion of the application form is the first stage in the recruitment process, and if you are successful, will form the basis of your employment record. Complete and accurate information is essential. Please note: If you knowingly withhold or provide false or misleading information, this may result in your application being rejected, or if appointed, may result in dismissal from your post.

Your application form plays a vital role in the recruitment and selection process. The information you provide us with in your application form will be used to decide whether you are shortlisted to attend an interview. Only those applicants who can clearly demonstrate in their application form how they meet the minimum essential requirements for the post as specified in the job description and person specification will be considered for interview selection.

Applicants should read the candidate information pack and job description for the post prior to completing the online application form.

When completing the online application form applicants should read the instructions in each section and note the following:

- the application form has an automatic time out mechanisms, therefore you should click on the "save" button as you go through the application form or copy and paste from another document, to avoid losing content.
- please do not use any special characters (i.e. £, #, &, %) when completing your application. You are permitted to use the '@' symbol.

It is recommended that you complete all relevant sections of the application form. It does not matter how long ago your last employment was, if you have an employment history please list it.

If you have not previously been employed, please use the “Present or Most Recent Post” section to detail what you have been doing (i.e. full time student / parent / carer).
Please note that you can list unpaid work including work placements and volunteer work in your employment history.

NHS Greater Glasgow and Clyde do not accept Curriculum Vitaes (CV), unless a CV has been specifically requested as part of the recruitment process.

By completing and submitting an application for this post you give your consent for NHS Greater Glasgow and Clyde to commence pre-employment checks, including reference checks, once your formal conditional offer of employment is made to you. Click Here for more information. For details on NHS Greater Glasgow and Clyde’s pre-employment check procedures, please visit the NHS Greater Glasgow and Clyde – recruitment guidance for applicants.
Part A (Personal information), Part B (Declarations), Part C (Application Details)

The job description provides information about the main duties and responsibilities of the post being advertised. It also describes the purpose of the post. Please ensure that your application form clearly demonstrates how your skills / knowledge / experience can be utilised in the role.

The job description and person specification also specify the requirements or criteria (knowledge, skills, experience, abilities and qualifications) that are essential or desirable to perform the duties outlined. Please ensure in your application that you demonstrate how you meet the minimum essential criteria and where applicable, the desirable criteria for the role.

Certain posts in NHS Scotland are exempt from the 1974 Rehabilitation of Offenders Act (Exclusions & Exceptions) (Scotland) Order 2003. Click Here for more information. If the advertisement for this position has declared that we require a Disclosure Scotland PVG Scheme Membership / Disclosure Scotland Check, you must declare any previous convictions, classed as either “spent” or “unspent”, including criminal convictions received outside the United Kingdom.

The Asylum and Immigration Act 1996 states that it is a criminal offence to employ a person who is not entitled to work in the United Kingdom (UK). Consequently, before NHS Greater Glasgow and Clyde offers employment, the prospective employee must provide evidence, that he/she is entitled to work in the UK. All applicants regardless of nationality will be asked to provide evidence of eligibility to live and work in the UK.

As a Disability Confident Employer, NHS Greater Glasgow and Clyde operates a Guarantee Interview Scheme for disabled applicants. Candidates who have declared a disability and who meet the minimum essential criteria outlined within the job description / person specification will be guaranteed an interview.

You must provide full and complete employment references including a work email address (personal email address for employment references may not be acceptable) covering a minimum period of the last three years. Employment referees should be listed in chronological order – that is the most recent first. If you have had more than two employers in the last three years we will require additional references. Character referees should only be used in the event that you cannot provide two employer references covering the last three years.

Any gaps in employment history must be detailed within your supporting statement and will be explored carefully with you at the interview stage.

If you have an employment history of less than three years, you should provide full details of an academic referee or other person who is not a friend, is not related to you or involved in any financial arrangement with you to provide a personal reference.
If you have had no previous employment or have been self-employed you should provide details of two personal referees as outlined above and where applicable evidence to confirm your status (i.e. letter from Jobcentre Plus, academic record or evidence from HM Revenue & Customs) if you are shortlisted for interview.

Your application form provides you with an opportunity to provide a supporting statement. This section is one of the most important in the application form as the information that is provided here will be evaluated and used to decide if you are invited to attend interview. This section gives you the opportunity to describe and demonstrate the particular qualifications, skills, abilities, knowledge, relevant experience and other qualities that make you a good candidate for the post.

Part D (Equal Opportunities)
This part of the form is optional and the information you provide in this section exercises no part of the selection process. It is treated in confidence and only the Recruitment Service or Human Resources staff can access this information for the purpose of recording and compliance monitoring, to ensure our workforce is balanced and represents the best candidates from all parts of society regardless of age, disability, gender reassignment, marriage or civil partnership, pregnancy or maternity status, race, religion or belief, sex, sexual orientation and/or socio-economic status.

Data Protection Act 1998
The information you provide on your application will be treated in confidence. Only those NHS Greater Glasgow and Clyde staff involved in the selection process and processing your application will see your application form. If you are the successful applicant your application form will be retained and used to create your employee record file. Your application form will be held for 12 months, from the date of your application, within the NHS Greater Glasgow and Clyde recruitment system, after which period it will be deleted from the system.
**Working for NHS Greater Glasgow and Clyde**

**About us**
NHS Greater Glasgow and Clyde is the largest health board and provider of healthcare in Scotland and one of the largest health care providers in the UK.

NHS Greater Glasgow and Clyde’s purpose is to:

> “Deliver effective and high quality health services, to act to improve the health of our population and to do everything we can to address the wider social determinants of health which cause health inequalities.”

The Board works in close partnership with other NHS organisations, local authorities and other agencies including the third sector to ensure that social work, education, housing, employment and environmental services unite effectively and efficiently with the NHS in tackling inequalities and underlying health problems in local communities.

The future shape of health and social care provision is changing following the move to establish new statutory Partnerships between NHS and Local Authorities, responsible for the planning and delivery of Health and Social care for local populations. This requires the development of very different relationships between primary care, mental health services, community and acute services.

NHS GGC serves a population of 1.2 million (over 1/5 of the population of Scotland) with services provided by 39,000 staff.

The geographical area covered includes: Glasgow City, West Dunbartonshire, Inverclyde, Renfrewshire, East Renfrewshire, East Dunbartonshire and North Glasgow (Stepps-Moodiesburn corridor).

**Our services**
NHS Greater Glasgow and Clyde provides a full range of Secondary and Tertiary Clinical services, Primary Care, Mental Health and Community services included in which are a number of world-class specialist services.
